Zé Pedro Resende
Full Stack Developer

PROFILE

My background as an orchestra musician and a football player helped me become a great team member, a leader and an extremely organized person. I'm always searching the best ways to perform a certain task and I always look forward to share that knowledge with those around me as well as my energy and my commitment. I aspire to be the best Developer that I can be.

MY STACK

Docker	Kubernetes	PostgreSQL	TypeScript	React

OTHER SKILLS

Python	Java	MySQL	HTML	CSS

EXPERIENCE & PROJECTS

MANY MORE ON GITHUB

PERSONAL PROJECT
Frankenstein - Color Theme: A dark theme for the most popular text editor at the moment (VS Code) with a color scheme that can be used in other themes for other applications.

ACADEMIC PROJECT
Tascker - Project Management App: A Web App that lets anyone create and manage projects by adding the respective tasks and recording the time dedicated to each one.

WORKSHOP
Proffy - The online learning platform: A Web App with a modern look and a mobile version. Allows teachers to better announce their services online like private lessons.
