Zé Pedro Resende
Tech Analyst

PROFILE

My background as an orchestra musician and a football player helped me become a great team member, a leader and an extremely organized person. I'm always searching the best ways to perform a certain task and I always look forward to share that knowledge with those around me as well as my energy and my commitment. I aspire to be the best Developer that I can be.

MY STACK

Docker   Kubernetes   PostgreSQL   TypeScript   React

OTHER SKILLS

Python   Java   MySQL   HTML   CSS
